# Enable access to Business Online Banking for IE10 users

1. Once you are on the Co-operative Bank website, click on **Tools** -> **Compatibility View settings**. If you can't see the menu, press the ALT + T on your keyboard.

2. The '**co-operativebank.co.uk**' domain should automatically show in the '**Add this website:**' field. If it doesn't you can type it manually, or navigate to the Co-operativebank.co.uk website and follow step 1 again.

Compatibility View Settings

You can add and remove websites to be displayed in Compatibility View.

Add this website:

co-operativebank.co.uk | Add |

Websites you've added to Compatibility View:

| Remove |

☐ Display all websites in Compatibility View
☑ Display intranet sites in Compatibility View
☑ Download updated compatibility lists from Microsoft

   Learn more by reading the Internet Explorer privacy statement

| Close |

3. Click '**Add**' to put the '**co-operativebank.co.uk**' domain into the bottom box.

4. Then click '**Close**'.

You should now be able to log in to Business Online Banking successfully.
