## Customer Donation Fund Application Form

At The Co-operative Bank we offer all our Community Directplus account holders the opportunity to apply for funding through our unique Customer Donation Fund. We promise to allocate at least £5,000 twice a year to deserving organisations; it's our way of giving something back to you and your local community.

As a Community Directplus account holder, you're entitled to apply for The Co-operative Bank's Customer Donation Fund to support your organisation. Completing this form will help us to understand your needs, and will enable us to assess your application.

Grants of up to £1,000 are available to Community Directplus customers to deliver projects that will enhance their communities and the environment.

### **What we will not fund**

- Political or religious appeals.
- Trips or holidays.
- Salaries.
- Rent, running costs and building projects (may occasionally be considered).

The Co-operative Bank reserves the right to decline any application received.

While we will support a variety of projects throughout the UK, preference will be given to projects that reflect The Co-operative Bank's Ethical Policy and where The Co-operative Bank's contribution will make a significant impact to the planet, to people and to our communities.
