Please complete and return to:

**The Co-operative Bank, P.O. Box 222, Unit 550,
Metroplex Business Park, Broadway, Salford Quays,
Manchester M50 2UE.**

Sign up now and enjoy the benefits of having an additional cardholder on your account

Please note: the main cardholder will be responsible for any spending by additional cardholders.

Additional cards have to be activated by the main cardholder.

A Co-operative Bank credit card brings you financial freedom. You can use it wherever you see the familiar Visa symbol; in shops, garages, restaurants - anywhere you might use cash. But you don't have to keep the benefits to yourself. Your partner, or another member of your family (provided they are aged 18 or over), can have an additional card on your credit card account. You can then share the convenience.

Increased control

With two cardholders, your Co-operative Bank credit card gives you even more ways to control your finances:

- You can use your card to pay for all your shared expenses – groceries, petrol, even holidays.
- Your statement will show details of purchases on all cards on your account.
- You and your partner share the same credit limit – if you would like to increase your credit limit, simply call on **0345 600 6000**, or request a credit limit increase through your Online Banking.
- You don't have to worry about your additional cardholder having enough funds available in an emergency.

Because it's a Co-operative Bank credit card, an additional card on the same account is free. Just complete the attached form to apply for an additional card, then you and your partner can share the benefits of a Co-operative Bank credit card.
