- The Fixed Rate Cash ISA has a fixed end date. If you make a withdrawal or transfer out before the account matures, the withdrawal or transfer out will be subject to a charge equivalent to 180 days' loss of interest at the fixed rate on the amount withdrawn.
- As this is not a flexible ISA, withdrawals of capital cannot be replaced.
- This is a limited issue product and may be withdrawn at any time.

However, you will still be able to invest in a stocks and shares ISA, innovative finance ISA and a lifetime ISA up to the annual ISA limit, if you wish.
- Over time, inflation will reduce the true value of your savings.
- Whether general interest rates rise or fall, this cash ISA pays interest at a fixed rate.
- You cannot subscribe to a cash ISA with us if you have already contributed to another cash ISA using this tax year's[^] ISA allowance, or if you have already invested the full ISA allowance in another type of ISA (i.e. stocks & shares ISA) this tax year[^]. You can however transfer in your cash ISA funds held with us or other providers.
- Please always consider your own personal circumstances before applying for this account.
