

Affinity Standard Credit Card Agreement regulated by the Consumer Credit Act 1974.

Effective from June 2009.

Key financial information

Credit Limit

Your credit limit will be determined by us from time to time and we will give you notice of your credit limit.

Payments

Each month, you must pay on or before the payment date specified in your statement, at least the minimum payment shown on your statement. The minimum payment is either 2% of the amount shown as owing to us on your statement or £5 (whichever is greater) in respect of any balance transfer or cheque and 2% or £5 (whichever is greater) in respect of any promotional balance and 2% or £5 (whichever is greater) of any standard balance. If the balance shown on your statement is less than £5 it will be the total amount of the statement balance.

APR	18.9	% APR variable
------------	------	----------------

Other financial information

Total Charge for Credit

We are required by law to include a Total Charge for Credit. Regulations require us to base this on an amount of money that a customer pays (in interest) for borrowing £1,500 over a 12-month period, which is then repaid in 12 equal monthly instalments. This is illustrative only and may not reflect your personal circumstances.

The total charge for credit (interest) is	£142.59
---	---------

Interest Rates and Charging

We charge the following interest rates:

Purchases	18.9	% per annum
Balance Transfer	18.9	% per annum
Cheques	23.9	% per annum
Cash	25.9	% per annum

Interest rate(s) are variable. The above interest rates do not include any introductory or promotional interest rates.

For purchases there is an interest free period of up to 46 days if you pay the balance in full on time (see condition 7 of the account terms and conditions). There is no interest free period for promotional balances, cash withdrawals and cheques. Interest is charged from the date of each transaction on the amount of the transaction; for cheques interest is charged from the date the cheque is debited to the account.

Interest is calculated using the interest rate applying as at the statement date on the average daily balance since the previous statement date, but will take account of interest rate changes since the previous statement date.

Allocation of Payments

If you do not pay your outstanding balance in full on the payment date set out in your statement we apply payment to that balance towards, in order: interest, charges, other administration fees and credit advanced, in the following order: promotional balances, cheques, cash withdrawals and purchases (which includes any payment protection plan). If you have more than one such transaction in any of these categories outstanding for different periods of time your payment will reduce the balance in order from the oldest to the most recent.

Variable Interest Rates and APRs

In working out the APR we have not taken account of any changes we may make to interest rates, handling fees or any other charges which we may introduce or vary at our discretion at any time by giving you notice under condition 15 of the account terms and conditions.

Key information

If you breach this agreement we may charge you with any costs or expenses which we may incur in order to enforce our rights – see condition 11.2 of the account terms and conditions. In particular we will charge the following:

Late payment charge	£12
Exceeding credit limit charge	£12
Unpaid cheques/Direct Debit charge	£12

We may also make administrative charges for various actions, including cash advances and foreign currency transactions and gambling transactions – please see condition 11.2 of the account terms and conditions and the administration charges tariff.

MISSING PAYMENTS

Missing payments could have severe consequences and make obtaining credit more difficult.

IMPORTANT – READ THIS CAREFULLY TO FIND OUT ABOUT YOUR RIGHTS

The Consumer Credit Act 1974 lays down certain requirements for your protection which should have been complied with when this agreement was made. If they were not, the creditor cannot enforce this agreement without getting a court order.

The Act also gives you a number of rights:

- 1 You can settle this agreement at any time by giving notice in writing and paying off the amount you owe under the agreement.
- 2 If you received unsatisfactory goods or services paid for under this agreement apart from any bought with a cash loan, you may have a right to sue the supplier, the creditor, or both.
- 3 If the contract is not fulfilled, perhaps because the supplier has gone out of business, you may still be able to sue the creditor.

If you would like to know more about your rights under the Act, contact either your local Trading Standards Department or your nearest Citizens Advice Bureau.

THEFT, LOSS OR MISUSE OF CREDIT CARD

If your credit card is lost, stolen or misused by someone without your permission, you may have to pay up to £50 of any loss to the creditor. If it is misused with your permission you will probably be liable for ALL losses. You will not be liable to the creditor for losses which take place after you have told the creditor about the theft, etc.

YOUR RIGHT TO CANCEL

You have a right to cancel this agreement. You can do this by sending or taking **WRITTEN** notice of cancellation to us at New Business Centre, The Co-operative Bank, P.O. BOX 200, Delf House, Skelmersdale, Lancs, WN8 6GH. You have 14 days starting on the day after you have received your card and this copy. You can use the form provided.

If you cancel this agreement any money you have paid, goods given in part exchange (or their value) and property given as security must be returned to you. You will still have to repay any money lent to you, but if you repay all of it before your first instalment is due – or, if you are not paying by instalments, within one month after cancellation – you will not have to pay interest or other charges.

Any goods which you already have under the agreement, apart from any purchased out of a cash loan, will have to be returned. Such goods should not be used and should be kept safe. Legal action may be taken against you if you do not take proper care of them. You can wait for them to be collected from you and you need not hand them over unless you receive a written request. If you wish, however, you may return the goods yourself.

You will not, however, be required to hand back any goods supplied to meet an emergency or which have already been incorporated, for example in your home. But you will still be liable to pay for emergency goods or services or for any goods which have been incorporated by you or one of your relatives.

4. LOST AND MISUSED CARDS AND CHEQUES

Details of charges for stopping **cheques** are set out in the **administration charges tariff**.

A **cheque** which has been guaranteed with the **card** cannot be stopped.

5. TRANSACTIONS AND CREDIT LIMIT

5.1 When **we** open the **account** **we** will tell **you** your **credit limit**. **We** may change the **credit limit** from time to time and will notify **you**

5.2 **We** will debit **transactions** to **your account**. Once **you** have made a **transaction**, other than a cheque (see **condition 4.5**), it cannot be stopped

5.3 **We** may limit the amount of any cash withdrawal, and how much **you** can withdraw each day. There is a charge of 3.0% (minimum £3.00) for cash withdrawals, purchase of travellers’ cheques or foreign currency and any gambling transactions made using any **card**. There is a fee of 2% of the **cheque** amount, (minimum £2 and maximum £25) in respect of use of any **cheque**.

Transactions made in currencies other than sterling will be converted into sterling using a wholesale market rate and **we** will apply an additional charge of 2.75%. The conversion rate may not be the same as when the **transaction** was made as rates may vary

5.4 When **you** use **your card we** may be asked for authorisation of the proposed **transaction**. If we give authorisation **we** will immediately reduce the credit available on the **account**, even before the **transaction** has been debited to the **account**. **We** may decide not to give authorisation if:

- **your card** has been reported as or **we** suspect it is lost or stolen
- **you** are in breach of these **terms and conditions**
- **you** would exceed the **credit limit** (including **transactions** authorised but not debited to the **account**)

5.5 **You** must make sure the **credit limit** is never exceeded. **Transactions** may be declined and **cheques** may be returned unpaid if they would cause the **credit limit** to be exceeded. If (as a service to **you**) **we** have authorised a **transaction** that takes your **account** over its **credit limit** **you** will still have to pay any charges **we** make for being over the **credit limit**.

6. INTEREST

6.1 All interest rates are variable and any APRs do not take any future variation into account. For flat rate credit cards the interest rate will be fixed for five years after account opening, thereafter the interest rate will be variable

6.2 **We** may, from time to time, offer you a reduced rate of interest for a promotional period or credit your **account** with a rebate on your interest payment. **We** will notify you if we do so in writing, by telephone or other means, but **we** reserve the right to withdraw any such offer at any time

6.3 **We** charge interest on a daily basis on the amount of any **standard balance** and any **promotional balance**

6.4 Interest is charged from the date of each **transaction** on the amount of the **transaction**; for **cheques** interest is charged from the date the **cheque** is debited to the **account**

6.5 Interest is calculated using the interest rate applying as at the statement date on the average daily balance since the previous statement date but will take account of interest rate changes since the previous statement date

6.6 If you do not pay the total balance shown on your statement in full by the payment date, the amount you have not paid will become part of the **standard balance** or **promotional balance**, as appropriate, from the date of that statement and we will charge interest on it

6.7 Except in the case of **promotional balances**, cash withdrawals and cheques, you will pay no interest if the full balance on the statement is credited as cleared funds by the payment date. If the full balance is not credited by the payment date, you pay interest on every **transaction**, not just from the payment date but, from the date of the **transaction**

6.8 **We** charge interest on **promotional balances**, cash withdrawals and **cheques** from and including the date of the **transaction**, even if you do pay the full balance by the payment date.

7. STATEMENTS AND PAYMENTS

7.1 **We** will normally send statements monthly if there is an outstanding balance on the account or if payments have been made

7.2 Statements will show the amount to pay the full balance, the minimum **you** must pay, and the payment date. The full payment will be due 28 days (if you have an interest free period of 59 days) or 15 days (if you have an interest free period of 46 days) after the statement date. Payment is only made when **cleared funds** are credited to the **account**. If there is an outstanding balance, you are required to pay **us** even if for some reason you have not received **your** monthly statement

7.3 **You** may pay either the minimum payment or the full payment each month by means of a Direct Debit option and any such payment must be credited to your **account** as set out in **condition 7.6**. If **you** pay off the full amount **you** owe **us** (shown on your statement) and that amount is credited to your **account** as set out in **condition 7.6**, **we** will not charge you any interest for that month except as specified in **condition 6.8**

7.4 **We** may sometimes let **you** know that **you** may miss a monthly payment. If **you** do decide to miss a monthly payment, **we** will continue to charge **you** interest on the full amount owing on your **account**, including the interest for that month, until **you** make **your** next payment

7.5 **You** must repay any excess over the **credit limit** or any arrears in full immediately

7.6 If **you** do not pay **your** outstanding balance in full on the payment date set out in **your** statement **we** apply payment to that balance towards, in order: interest, charges, other administration fees and credit advanced, in the following order: promotional balances, cheques, cash withdrawals and purchases (which includes any payment protection plan). If **you** have more than one such transaction in any of these categories outstanding for different periods of time **your** payment will reduce the balance in order from the oldest to the most recent

7.7 **We** will pay off any **promotional balances** in the order they were debited to **your account**

7.8 When a **transaction** is refunded, **we** only credit the **account** when **we** receive a proper voucher or confirmation from the retailer

7.9 It is **your** responsibility to tell **us** as soon as possible if anything on **your** statement seems incorrect

7.10 All amounts **you** owe **us** in respect of the **account** must be repaid immediately in full on **your** death, bankruptcy, failure to satisfy any statutory demand or breach of any of the **terms and conditions** of this **agreement**

7.11 If you make a **transaction** using a **cheque** for an amount less than £100 you will be charged the same rate of interest as for purchases set out in your credit card agreement.

8. CHARGES

8.1 We may debit **your account** with charges we make for information or services you ask for (not covered elsewhere in this **agreement**). We may charge for reminders, notices and other expenses as a result of any breach of this **agreement** and debit your **account** with those charges. We will notify you in advance, normally on your statement, if a charge is due. Charges are set out in the **administration charges tariff** – at the end of these conditions

8.2 We may change our charges from time to time but will notify you 30 days before the change, in writing.

9. CHANGING THE CARD TYPE YOU HAVE

9.1 We will decide which type of **card** to issue to you under this **agreement**, including any renewal, replacement or **authorised card**. This means that we may issue a different type of **card** from the one for which you applied, or from the one previously issued to you. Your signature on this **agreement** will be taken as your request that we should do so

9.2 If, after we have issued you with a **card**, you change from one type of **card** to another we will give you a new **account** number. We will transfer your outstanding balance, and any further **transactions**, to the new **account** and close the old **account**

9.3 The new **card** and **account** will be effective, and the old **card** will cease to be valid, from the date it is transferred. We will notify you of the date

9.4 You should note that interest rates, charges, credit limits and promotional schemes may be different on the new and old **cards**. Those for your new **card** will apply from the date of transfer

9.5 You may ask to remain on the previous type of **card** but you must do so within 30 days of our issuing the new **card** and cut the new **card** in half.

10. ENDING THE AGREEMENT

10.1 We may end the **agreement** at any time by giving you reasonable notice in writing

10.2 You may end the **agreement** at any time by giving us notice in writing. If you end the **agreement** you must return all **cards and cheques** (cut in half) and repay all the amounts you owe under the **agreement**

10.3 When the **agreement** ends we will continue to apply interest and charges until you have paid everything you owe under the **agreement**

10.4 You must make sure there are no **transactions** after this **agreement** has ended or the **account** has been closed. You are responsible for cancelling any continuous payment authorities or standing order instructions with the retailers concerned. You must still repay immediately on demand **transactions** debited to the **account** after this **agreement** ends together with any interest.

11. FAILURE TO COMPLY

11.1 If you fail to comply with this agreement we may require you to repay in full all outstanding amounts on your account together with the interest and charges

11.2 We reserve the right to debit your account with any costs or expenses which we pay in order to enforce our rights (including the cost of late payment letters and any other charges as set out in the administration charges tariff from time to time or in the Key Information section)

11.3 We may if you are in breach of this agreement or where we suspect there may be fraudulent activity on your account without notice:

- cancel or suspend your or the authorised cardholder's right to use the card and cheques entirely or in respect of specific facilities
- refuse to reissue, renew or replace any card or cheques

11.4 If we do withdraw any card or cheques or close your account in any of the circumstances referred to you must nevertheless continue to comply with this agreement until any outstanding balance on your account has been repaid

12. REFUSALS, REFUNDS AND CLAIMS

12.1 We accept no responsibility if any other person, retailer or bank (or cash dispenser) refuses to accept any **card** or **cheques**

12.2 You must advise us within 30 days of receipt of your statement of details of any **transaction** you think has been incorrectly entered

12.3 Subject to any statutory rights you may have you may not use any claim against any other person as a defence or counterclaim against us

12.4 You may not transfer any rights you may have against us to any other person.

13. CUSTOMER SECURITY DETAILS

13.1 As part of this **agreement** you must register **customer security details**

13.2 You must take all reasonable precautions to prevent the disclosure and unauthorised use of your **customer security details** and must not:

- write them down
- tell them to anyone

13.3 If you suspect that someone knows your **customer security details** you must immediately contact us at 0845 600 6000. When we receive notification, your liability will cease. Until then, you may be liable for up to £50 of any loss. If unauthorised use of your **customer security details** is due to you acting without reasonable care, fraud, your disclosure to

someone else or misuse as a result, you will probably be liable for ALL losses. We may ask you to assist us in our efforts to recover any loss as a result of unauthorised use of your **customer security details** and you agree to provide any such assistance

13.4 When you use your **customer security details** you are authorising us to carry out all your instructions

13.5 For your protection we reserve the right to suspend access if:

- incorrect **customer security details** were used to attempt to access your **account**
- we suspect an unauthorised person is attempting to access your **account**

The services available to you using **customer security details** may vary over time and we may suspend or terminate any of the services available but will inform you of the changes.

14. CHANGES

14.1 We may change the interest rates, charges and the amount of your payments. This includes changing the basis on which they are charged or calculated or introducing new interest charges or any other charges. We can do this by giving you at least 30 days' notice or, for interest rate changes, by a personal notice. The new rates will apply to **transactions** and to any outstanding balance on the **account** from the date the rate changes

14.2 We may change the terms of this **agreement** at any time to reflect changes in:

- market conditions
- good banking practice
- relevant rules or regulatory requirements
- to rectify errors, omissions, inaccuracies or ambiguities
- as a result of customer feedback

We will provide you with at least 30 days' written notice before we make any changes

14.3 If any change we make is to your disadvantage, (other than a change in interest rates), you may write to us within 60 days of notice and close your **account** (and we will ensure that the change to these **terms and conditions** does not disadvantage you in the meantime). Remember you can close your **account** at any time if you want (see **condition** 10.2)

14.4 If we make a number of changes or a major change to these **terms and conditions** during any 12-month period, we will give you a full copy of the revised **terms and conditions**

14.5 We may tell you about changes by:

- national press advertisements
- statement messages or statement inserts
- writing to you (this can include email)

We will give you notice before we make changes, except changes in interest rates which may apply immediately.

15. PAYMENT PROTECTION INSURANCE

If the credit card Payment Protection Plan insurance policy is cancelled by Aviva, you authorise us to arrange and enter into a new credit card Payment Protection Plan insurance policy with another insurer ("New Policy"), as your agent on your behalf. We will give you reasonable advance notice of the terms of the New Policy. This condition represents your prior request to provide the New Policy but you may notify us in writing if you do not want the New Policy before it is entered into. You may at any time cancel the authority and request contained in this condition by notice in writing to us although your notice will not affect New Policies entered into before we receive your notice.

16. GENERAL

16.1 It is our aim to ensure a complete service at all times, but we will not be liable if any failure is caused by (whether directly or indirectly) the failure of any machine, data processing system or transmission link or an industrial dispute or anything outside our control or that of our agents or subcontractors

16.2 If we choose not to exercise our rights against you on one or more occasions, we can still do so later

16.3 If we are unable to produce or send you your normal statement, we will choose a date each month as a statement date for the purpose of calculating interest and establishing the date on which payment is due. We will, however, try to let you know the position

16.4 You must tell us immediately of any change of name or address and confirm this in writing. If you do not do this, we may charge your **account** with the reasonable cost of locating you

16.5 We may record and/or monitor telephone calls between you and us to enhance security, sort out complaints, improve our customer service and for staff training purposes

16.6 We may transfer our rights or obligations under this **agreement** at any time, without giving you notice. In these circumstances, you authorise us to give that person any financial or other information about you

16.7 This **agreement** is in English, is governed by English Law and we will communicate with you in English

16.8 You may be liable for other taxes or costs that are not paid via or by us

16.9 There is no minimum duration for this **agreement**.
