Tariff

Introductory 18 months' free tariff

As long as you maintain a credit balance of £1,000 or more and remain within the generous transaction limits set out below, you will not pay any charges for the services marked FREE for 18 months after your account is opened. At the end of the 18-month period our standard tariff will apply. Full details will be provided at this time.

If your balance falls below £1,000 at any time, our competitive charges will apply. You will be pre-notified of standard charges 16 days prior to your account being debited on the 5th of each month. Where the 5th falls on a weekend or Bank Holiday, the charges will be debited on the previous working day.

		Unplanned overdraft interest rate****	1.92% per month (25.59% per annum EAR [^])

¹Formal overdraft utilisation fees are charged monthly and will be charged at the above rates where applicable.

Unplanned overdraft notes

- * The unplanned overdraft utilisation fee is charged when your account goes overdrawn without a formal overdraft limit, or exceeds a formal overdraft limit. The fee will be charged on each monthly anniversary, if you still have an unplanned overdraft on your account. You should allow up to five working days before drawing against cheques deposited to your account.
- ** An unplanned overdraft event fee is charged every time your unplanned overdraft position increases (except where it does so as a result of charges or interest being applied). Only one event will be charged per day and there is no limit to the number of event fees that can be charged.
- *** An unpaid item fee is charged if we decline to pay an instruction where:
 - to pay it would make you go overdrawn if you do not have a formal overdraft limit
 - or where you do have a formal overdraft limit, agreeing to the request would cause you to exceed your formal overdraft limit.This is known as a request for an unplanned overdraft.
- **** Please note that debit interest will be applicable at the above rate if you draw against uncleared funds.
- ^ EAR is the Equivalent Annual Rate taking into account the interest rate and how often interest is paid, but excludes any fees or charges.

Interest rates

Interest rates notes

AER (Annual Equivalent Rate) is a notional rate calculated as if the gross and net rates were paid and compounded on an annual basis.

GROSS is the annual rate of interest payable before the deduction of tax at the rate set by law.

NET is interest paid with lower rate tax (currently 20%) already deducted.

INTEREST is calculated daily on the cleared balance and is paid monthly. Rates payable apply to the full balance.
