Questions and answers

What is a Cash ISA?

- It is a deposit account, paying a variable rate of interest.
- An Individual Savings Account (ISA) is not an investment in its own right, it's a tax-free wrapper in which you can hold your money to protect it from Income and Capital Gains Tax.
- Because of the generous tax benefits of ISAs, the Government has set limits on the amount you can invest in an ISA in each tax year – see 'How much can I pay in?' section on this page for details of the ISA investment limits.
- Anyone who is aged 16 or over can invest in a Cash ISA. In addition, you must be resident in the UK for tax purposes. Accounts must be opened in a single name only.
- If you invest in a Cash ISA with us, you cannot invest in another Cash ISA with another provider in the same tax year.

How do I pay into an account?

- Standing order.
- Direct transfer from another Co-operative bank account or another bank account.
- At any Co-operative Bank branch.
- By sending a cheque through the post.
- By cheque at any Post Office® branch.

How do I take money out?

You can have access to your money at any time by the following methods:

- online transfer
- electronic transfer over phone

- cheque by telephone banking
- over the counter.

How much can I pay in?

- The minimum amount needed to open a Cash ISA is £1 and you can make further deposits at any time.
- You can pay up to £5,340 into a Cash ISA in any tax year. You can withdraw as much of the balance of your ISA as you like without any interest penalties. If you take money out, you can't replace it. Once you've paid in your allowance for the tax year, you can't pay in any more money until the next tax year, regardless of any withdrawals.
- You can invest up to £10,680 in a Stocks & Shares ISA with another provider, less any contributions into your Cash ISA up to £5,340.

What interest will I earn on my money?

- Interest is calculated daily on your cleared balance and credited to your account annually on 5th April.
- Interest rates will change from time to time to reflect changes in short-term interest rates generally and, in particular, the Bank of England base rate. We will always notify you of any changes. Please see the terms and conditions for notification timeframes.
- The Co-operative Bank website displays the latest interest rates, go to [co-operativebank.co.uk/isa](https://www.co-operativebank.co.uk/isa) or if it is more convenient call us, see 'How to contact us' on page 4 or visit your nearest branch for our latest rates.

What if my contributions exceed the ISA limits in any tax year?

If you put too much into your Cash ISA we'll return the money to you. How long that takes will depend on how you put it in:

- from another Co-operative bank account you'll have the money back the next day
- via electronic transfer from another bank you'll have the money back about four days later
- by cheque, we will have to wait for a cheque to clear before we send you the cheque back.

What happens to my savings if I die?

- The amount payable on death is the balance of your Cash ISA plus any interest up to the date of death.

Can I transfer my ISA?

- You can transfer your Cash ISA to another provider at any time. You will not lose the tax benefits provided you first open a cash ISA with another provider. Your new provider should then be asked to contact us to arrange the transfer. You must not withdraw the funds yourself to transfer as they will lose their tax-free status.

What about tax?

- Any interest on money saved in a Cash ISA is paid gross and is completely free of UK income tax **provided you continue to meet HMRC regulations governing this product.**
- Legislation governing taxation is liable to change. In particular, the favourable tax treatment of ISAs may not be maintained. Any reference to tax is based on our understanding of current legislation, which is subject to change and depends on your individual financial circumstances.

Can I change my mind?

- You have a right to cancel your account 14 calendar days from the date the account is opened or upon receipt of your welcome letter, whichever is the latter. You can cancel by writing to us at Customer Services, The Co-operative Bank p.l.c., P.O. Box 200, Skelmersdale WN8 6GH, by calling 08457 212 212 or by visiting a Co-operative Bank branch. Please see terms and conditions for more information. If you choose not to cancel, the terms and conditions including any interest rates and account charges, will apply.

How will I know how my Cash ISA is doing?

- We will send you a statement at the end of each tax year. We will also send you a statement whenever there is a change in the interest rate.
- Of course, if you wish, you can request an up-to-date balance at any time – see 'How to contact us' below.

A bright idea – if every household swapped just two ordinary light bulbs for energy efficient ones, we'd save enough energy each year to power the UK's streetlights.
