### Your guide to the charges you can expect on your

# Privilege and Privilege Premier

## current account

There are no charges for normal banking services as long as you do not go overdrawn. However, we do make a charge for certain other services including overdraft services.

We can vary or amend these charges or interest rates at any time but will notify customers that we are doing so in accordance with account terms and conditions. Confirmation of current interest rates can be obtained from any branch or by ringing telephone banking on **08457 212 212** or online at **co-operativebank.co.uk**

The services, charges and rates detailed are effective from 3rd July 2009.

### Overdraft services

You can request an overdraft or an increase to an existing overdraft either formally or informally.

**Formally** – you can request our overdraft services in advance and if we agree to your request we will tell you your overdraft limit and confirm the terms of the overdraft in writing.

**Informally** – if you have not formally requested our overdraft services as above, you may still request our overdraft services by undertaking a payment or withdrawal from your account, even though no overdraft limit has been agreed or where the payment or withdrawal would cause you to exceed any agreed overdraft limit.

If you request an overdraft informally in this way then we will limit the amount of related charges you could incur in two ways:

#### **Waiver: helping with infrequent charges.**

If you maintain your account in credit (or within any agreed overdraft limit) for a year then we won't charge you if you then request an informal overdraft, providing that your account is returned to credit (or inside an agreed overdraft limit) within six working days.

#### **Quarterly Cap: putting an upper limit on charges.**

We have placed a limit of £150 per quarter on charges relating to informally requested overdrafts.

### Financial Difficulties

Should you be experiencing financial difficulties and can't keep up with bill payments or your income falls we would recommend that you contact us as early as possible. We will be happy to discuss your needs and to help you understand what options might be available to you. You can get further information by calling **0800 028 8696** or visit one of our branches for a free financial health check.
