Other financial information

Total Charge for Credit

We are required by law to include a Total Charge for Credit. Regulations require us to base this on an amount of money that a customer pays (in interest) for borrowing £1,500 over a 12-month period, which is then repaid in 12 equal monthly installments. This is illustrative only and may not reflect your personal circumstances.

The total charge for credit (interest) is £142.59

Interest Rates and Charging

We charge the following interest rates:

We charge the following interest rates:

Purchases	18.9	% per annum
Balance Transfer	18.9	% per annum
Cheques	23.9	% per annum
Cash	25.9	% per annum

Interest rate(s) are variable, please see condition 14.4 of the account terms and conditions. The above interest rates do not include any introductory or promotional interest rates.

For purchases there is an interest free period of up to 59 days if you pay the balance in full on time (see condition 8.4 of the account terms and conditions). There is no interest free period for promotional balances and cash withdrawals. Interest is charged from the date each transaction is applied to the account (not the date you make the transaction) on the amount of the transaction.

Interest is calculated using the interest rate applying as at the statement date. Interest is calculated on the average daily balance since the date of your last statement to the date of your present statement, taking into account any payments and/or refunds that have been made or received.

MISSING PAYMENTS

Missing payments could have severe consequences and make obtaining credit more difficult.

IMPORTANT – READ THIS CAREFULLY TO FIND OUT ABOUT YOUR RIGHTS

The Consumer Credit Act 1974 lays down certain requirements for your protection which should have been complied with when this agreement was made. If they were not, the creditor cannot enforce this agreement without getting a court order.

The Act also gives you a number of rights:

- 1 You can settle this agreement at any time by giving notice in writing and paying off the amount you owe under the agreement.
- 2 If you received unsatisfactory goods or services paid for under this agreement apart from any bought with a cash loan you may have a right to sue the supplier, the creditor, or both.
- 3 If the contract is not fulfilled, perhaps because the supplier has gone out of business, you may still be able to sue the creditor.

If you would like to know more about your rights under the Act, contact either your local Trading Standards Department or your nearest Citizens Advice Bureau.

THEFT, LOSS OR MISUSE OF CREDIT CARD

If your credit card is lost, stolen or misused by someone without your permission, you may have to pay up to £50 of any loss to the creditor. If it is misused with your permission you will probably be liable for ALL losses. You will not be liable to the creditor for losses which take place after you have told the creditor about the theft, etc.

YOUR RIGHT TO CANCEL

You have a right to cancel this agreement. You can do this by sending or taking **WRITTEN** notice of cancellation to us at New Business Centre, The Co-operative Bank, P.O. BOX 200, Delf House, Skelmersdale, Lancs, WN8 6GH. You have 14 days starting on the day after you have received your card and this copy. You can use the form provided.

If you cancel this agreement any money you have paid, goods given in part exchange (or their value) and property given as security must be returned to you. You will still have to repay any money lent to you, but if you repay all of it before your first instalment is due – or, if you are not paying by instalments, within one month after cancellation – you will not have to pay interest or other charges.

Any goods which you already have under the agreement, apart from any purchased out of a cash loan, will have to be returned. Such goods should not be used and should be kept safe. Legal action may be taken against you if you do not take proper care of them. You can wait for them to be collected from you and you need not hand them over unless you receive a written request. If you wish, however, you may return the goods yourself.

You will not, however, be required to hand back any goods supplied to meet an emergency or which have already been incorporated, for example in your home. But you will still be liable to pay for emergency goods or services or for any goods which have been incorporated by you or one of your relatives.

5. TRANSACTIONS AND CREDIT LIMIT

5.1 When we open the account we will tell you your Credit Limit. We may change the Credit Limit from time to time for the following reasons and will notify you:

- in the interests of responsible lending
- where your spending pattern or level of usage shows a larger Credit Limit is required
- to reduce the risk of fraud.

5.2 We may limit the amount of any cash withdrawal and how much you can withdraw each day.

(Please see Welcome Guide for further details).

5.3 You must make sure you never go over the Credit Limit. Transactions may be refused if they would cause you to go over the Credit Limit. If this happens please telephone us on 0845 600 6000 and we will explain the reasons for the refusal and what action you may be able to take to correct this. If as a service to you we have authorised a Transaction that takes your account over its Credit Limit you will still have to pay any charges we make for being over the Credit Limit. Such charges are set out in our account charges leaflet.

6. INTEREST

6.1 Your initial interest rate is detailed on your agreement form. All interest rates are variable (please see clause 14 for details). Any Annual Percentage Rates do not take any future variation into account.

6.2 We may, from time to time, have special offers that apply to your account, such as a reduced rate of interest for a promotional period. We will tell you of such special offers in writing, by telephone or email or other means. We may withdraw any such special offers at any time and will tell you when we do so.

6.3 We charge interest on a daily basis on the amount of any Standard Balance and any Promotional Balance.

6.4 Interest is charged from the date each Transaction is applied to your account (not the date you make the Transaction) on the amount of the Transaction.

6.5 Interest is calculated using the interest rate applying as at the statement date. Interest is calculated on the average daily balance since the date of your last statement to the date of your present statement taking into account any payments and/or refunds that have been made or received.

6.6 If you do not pay the total balance shown on your statement in full by the payment date, the amount you have not paid will become part of the Standard Balance or Promotional Balance, as appropriate, from the date of that statement and we will charge interest on it.

6.7 Except in the case of Promotional Balances, cash withdrawals, and Gambling Transactions, you will pay no interest if the full balance on the statement is credited as cleared funds by the payment date (see condition 8.9 for details of clearing).

6.8 We charge interest on Promotional Balances, cash withdrawals, cheques and Gambling Transactions from and including the date each Transaction is applied to your account (not the date you make the Transaction) even if you do pay the full balance by the payment date.

7. STATEMENTS

7.1 We will send you a monthly statement if there is an outstanding balance on your account or if payments have been made. This will identify all Transactions and payments applied to your account for the period of time set out on your statement. Information about each Transaction and payment is also available via telephone and internet banking.

7.2 Please ensure you check your statement and inform us:

- as soon as possible if there is an item you do not recognise. We will investigate and if there has been an error correct it
- as soon as possible (in any event within eight weeks from the date the payment was taken) if there is payment you have authorised but the amount differs to that which you expected to pay. We will investigate and within 10 Business Days confirm to you the action we will take to correct it or whether we need further information from you to investigate the error.

7.3 If you do not receive your statement please call us on 0845 600 6000. If there is an outstanding balance, you have to pay us even if for some reason you have not received your monthly statement.

7.4 If we are unable to produce or send you your normal statement, we will choose a date each month as a statement date for the purpose of calculating interest and establishing the date on which payment is due. We will, tell you these dates as soon as we are able.

8. PAYMENTS

Using your card to make a Transaction

8.1 We will charge the amount of any Transactions to your account. Once you have made a Transaction, it cannot be stopped.

8.2 All Transactions will be in sterling or the currency of the country where you use your Card.

Transactions made in currencies other than sterling will be converted into sterling using a reference exchange rate set by Visa which is available at www.visaeurope.com

The conversion rate may not be the same as when the Transaction was made as rates may vary.

We will also apply an additional charge to the total of the sterling amount of the foreign currency Transaction as set out in the account charges leaflet.

8.3 When you use your Card we may be asked to approve the proposed Transaction. If we give approval we will immediately reduce the amount available on the account by the amount of the Transaction, even before the Transaction has been taken from the account. We may decide not to approve the Transaction or make a payment out of your account if:

- your Card has been reported as or we suspect it is lost or stolen
- you have seriously or repeatedly broken these conditions
- if the proposed Transaction would make you go over the Credit Limit (including Transactions approved but not taken from the account)
- we suspect the payment to be fraudulent as part of our monitoring for fraud prevention purposes.

If this happens please telephone us on 0845 600 6000 and we will explain the reasons for the refusal and what action you may be able to take to correct this.

Paying money to your account

8.4 Your statement will show the full balance, the minimum you must pay, and the payment date. Full payment will be due 28 days (if you have an interest free period of 59 days) or 15 days (if you have an interest free period of 46 days) after the statement date.

8.5 If you pay off the full amount you owe us shown on your statement we will not charge you any interest for that month except interest charged on any:

- Promotional Balances
- cash withdrawals
- cheques
- Gambling Transactions from the date each Transaction is applied to your account (not the date you make the Transaction).

8.6 If you only make a part payment to your account we apply that payment in the following order: interest, charges, cash withdrawals and standard rate purchases (this includes any payment protection insurance), then any of the following, starting with the oldest transaction: cheques, balance transfers and Promotional Balances.

8.7 The minimum payment is either 2% of the amount shown as owing to us on your statement or £5 (whichever is the greater). If you pay the minimum payment the amount paid will be applied in the same order set out in the condition 8.6 above.

8.8 You may pay either the minimum payment or the full payment each month by means of a Direct Debit option by contacting us on 0845 600 6000. Any minimum payment will be applied to your account as set out in condition 8.7 above. Any full payment will be applied to your account as set out in condition 8.5 above.

8.9 Payment is only made when cleared funds are credited to the account. The central clearing cycle for England and Wales is the time taken for payments made to your account to be added as follows:

- when you pay a cheque into your account you will have to wait four Business Days after the Business Day it has been paid in before the money is cleared funds in your account
 - if you pay a cheque into your account via a Post Office® the payment into your account will be delayed by a couple to two Business Days and therefore you will have to wait six Business Days after the Business Day it has been paid before the money is cleared funds in your account
 - if you have instructed your bank to make a payment to your account by direct debit, the payment will be requested from your nominated account on the day set out on your statement (or nearest Business Day) and applied to your account on the day we receive it
 - if you pay your account from an account held with us either by telephone or internet banking the payment will be applied to your account on the next Business Day provided the instruction is before 9pm. Transfers made after 9pm will be added to your account on the second Business Day after receipt of your instructions
 - if you pay your account from an account held with another bank either by telephone or internet banking the payment will be applied to your account immediately we receive it.
- From 1 November 2009 we will no longer be accepting cash deposits or debit card payments in our branch network as a payment method for credit cards.

8.10 To enable monies to be sent to your account you must provide the sender with your sort code and account number and if applicable your Card number. This is known as the "Unique Identifier". All this information is available to you by accessing your account on the internet or on request through telephone banking.

8.11 In determining which account is to be credited with monies we receive, we will use and rely on ONLY the Unique Identifier. It is your responsibility to ensure that the sender has the correct information. If the Unique Identifier is wrong we will not be responsible to you or the sender for failure to credit your account or any resulting loss of funds. This applies even if the sender also supplies other information such as your name.

8.12 If you or the sender ask us to assist in recovering funds where an incorrect Unique Identifier has been used, we will use our reasonable efforts to do so and may charge you our reasonable costs for doing so for this.

8.13 You must repay any excess over the Credit Limit or any arrears in full immediately.

8.14 All amounts you owe us in respect of the account must be repaid immediately in full:

- if you seriously or repeatedly break this agreement
- if you fail to satisfy a statutory demand

- if you are made bankrupt
- upon your death.

8.15 As we process payments automatically, we may accept partial payments marked "payment in full" or other similar language without losing our right to claim full payment.

Making a payment to another account

8.16 When making a payment to another account for a balance transfer, it is important you ensure the accuracy of both the sort code, account number and reference number (if applicable) of the account you are sending the payment to. This is known as the "Unique Identifier".

8.17 In making the payment we use ONLY the Unique Identifier. It is your responsibility to ensure that you give us the correct information. If the Unique Identifier is wrong we will not be responsible to you or the intended recipient for failure to credit the intended recipient's account or any resulting loss of funds. This applies even if you also supply other information such as the intended recipient's name.

8.18 If you or the intended recipient ask us to assist in tracking or recovering funds sent using an incorrect Unique Identifier, we will use our reasonable efforts to do so and may charge you our reasonable costs for this.

8.19 Payment instructions can be given to us using telephone banking or personally at a branch counter, complying with the security requirements described at condition 4 and providing to us the required information. By doing so you will have given to us your consent for making the payment which may only be withdrawn in accordance with conditions 8.22 and 8.23.

8.20 When you tell us to make a payment in Sterling to a recipient in the United Kingdom, and provided you tell us before 9pm on a Business Day, the maximum time it will take to reach the recipient's bank will be as follows:

- until 31 December 2011, three working days following the day the instruction was received
- from 1 January 2012, the next working day following the day the instruction was received.

8.21 There may be a delay in us carrying out your payment instructions while monitoring and/or fraud prevention checks take place.

8.22 If you want to cancel a balance transfer tell us by telephoning us on 0845 600 6000 before 3pm the Business Day before the payment is due to be paid.

8.23 If you want to cancel a regular card payment from your account tell us, but you must also tell the person or organisation that collects the payment that you have cancelled it. You may not be able to cancel any particular payment after the time of receipt of the payment instruction.

9. CHARGES

This includes details of interest rates, charges for our services and other relevant charges such as default charges. You can also find out about these charges on our website, by telephoning us on 0845 600 6000 or asking staff in our branches.

9.2 We may vary our charges or introduce new ones in accordance with condition 14.2. 9.5 We will tell you in advance, on your statement or by letter, if a charge is due.

10. CHANGING THE TYPE OF CARD YOU HAVE

10.1 We will decide which type of Card to give you under this agreement, including any renewal, replacement or additional Card. This means that we may give a different type of Card from the one you applied for, or from the one previously given to you. The reasons for giving you a different type of Card are:

- the Card has been withdrawn for valid reasons set out in condition 14
- your account has not been used for a significant period of time
- your new Card offers more benefits.

10.2 If, after we have given you a Card, you change from one type of Card to another we will give you a new account number. We will transfer your outstanding balance and any further Transactions to the new account and close the old account.

10.3 The new Card and account will be effective, and the old Card will cease to be valid from the date it is transferred. We will give you 30 days' notice of the date of transfer.

11.4 If we are satisfied our security procedures have been met we can act on your instructions, including making payments from your account, even if these instructions were not given by you or with your authority. Please see condition 8 for details on how to make payments.

11.5 You will be responsible for payments or other losses from your account which you have not authorised if you have not taken reasonable precautions as set out in condition 4 (Security).

11.6 We may refuse to carry out your instructions, e.g., if a payment exceeds a particular value or we suspect a breach of security or misuse of your account or security details. We will tell you when we do this. This may include access to your account, including telephone and internet banking, being blocked.
