Unplanned overdraft notes

- * The unplanned overdraft utilisation fee is charged when your account goes overdrawn without a formal overdraft limit, or exceeds a formal overdraft limit. The fee will be charged on each monthly anniversary, if you still have an unplanned overdraft on your account. You should allow up to five working days before drawing against cheques deposited to your account.
- ** An unplanned overdraft event fee is charged every time your unplanned overdraft position increases (except where it does so as a result of charges or interest being applied). Only one event will be charged per day and there is no limit to the number of event fees that can be charged.
- *** An unpaid item fee is charged if we decline to pay an instruction where:
 - to pay it would make you go overdrawn if you do not have a formal overdraft limit
 - or where you do have a formal overdraft limit, agreeing to the request would cause you to exceed your formal overdraft limit. This is known as a request for an unplanned overdraft.
- **** Please note that debit interest will be applicable at the above rate if you draw against uncleared funds.
- ^ EAR is the Equivalent Annual Rate taking into account the interest rate and how often interest is paid, but excludes any fees or charges.
