- * The unplanned overdraft utilisation fee is charged when your account goes overdrawn without a formal overdraft limit, or exceeds a formal overdraft limit. The fee will be charged on each monthly anniversary, if you still have an unplanned overdraft on your account. You should allow up to 5 working days before drawing against cheques deposited to your account.

- *** An unpaid item fee is charged if we decline to pay an instruction where:
 - to pay it would make you go overdrawn if you do not have a formal overdraft limit
 - or where you do have a formal overdraft limit, agreeing to the request would cause you to exceed your formal overdraft limit.This is known as a request for an unplanned overdraft.
- **** Please note that debit interest will be applicable at the above rate if you draw against uncleared funds.
- ^ EAR is the Equivalent Annual Rate taking into account the interest rate and how often interest is paid, but excludes any fees or charges.
