Your Mobile Phone Insurance Policy

In this document you will find everything you need to know. Please read this carefully to make sure this policy is right for you; if you have any questions then visit [co-operativebank.co.uk/benefits](https://www.co-operativebank.co.uk/benefits) or call us on 0844 249 9981. This policy constitutes an agreement between you and the insurer, Assurant General Insurance Limited. The insurer has appointed Lifestyle Services Group to administer the policy. References to 'we/us/our' relates to Assurant General Insurance Limited and Lifestyle Services Group.

Registering your mobile phone

To help us administer your policy more effectively and to help simplify the claims process, you can provide us with your mobile phone details. This can be done through [co-operativebank.co.uk/benefits](https://www.co-operativebank.co.uk/benefits) or by calling 0844 249 9981.

You will need the following information when registering your handset:

- Make
- Model
- IMEI number. The IMEI number is the unique serial number for your mobile phone. You can find it by inputting *#06# into your mobile phone. It should also be noted on the documentation that came with your mobile phone when you purchased it. Your airtime provider may also be able to provide it to you
- Telephone number

Who is this cover suitable for?

Summary

For many of us, our mobile phone is much more than a device for making calls. It means you can stay in contact wherever you are, it stores valuable memories and so much more.

We would advise that you regularly back up the contents of your phone as we are unable to retrieve or provide cover for anything stored on your phone.

It is important to note that mobile phone insurance is offered on the understanding that you will take care of your mobile phone.

Description

This policy is suitable if you have a mobile phone and you want to cover the cost of repairing or replacing your mobile phone against loss, theft, damage and breakdown, subject to an excess payment by you for every accepted claim. You should consider this excess (£75 for Apple handsets and £50 for non-Apple handsets) if you have a basic mobile phone to judge whether this policy is suitable for you.

You should consider any other insurance policies you have when deciding if this policy is suitable for you. Please be aware that if your phone is already covered under another policy you cannot make a claim on both policies for one incident.

Having insurance does not mean that you can take risks with your mobile phone, which you would not take if your mobile phone was not insured, as doing so may result in your claim being declined. Further details can be found in the section 'What you are NOT covered for'.

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

The cover you receive

Risks you are covered for

Your mobile phone and SIM card are covered up to a maximum value of £1,000 (including VAT) per claim and against:

- Loss
- Theft
- Damage
- Breakdown (including faults) occurring anywhere in the world.

If you make a successful claim for loss or theft and discover you have been charged for calls, texts or data as a result of someone else using your phone. These **unauthorised network charges** are covered up to a value of £2,000 (including VAT) if you have an airtime contract and £200 (including VAT) if you are on Pay As You Go.

If any **accessories** for your mobile phone are lost, stolen or damaged at the same time as your mobile phone, you are covered for these up to a value of £350 (including VAT). That's cases, headphones, Bluetooth headsets and other similar items.

Benefits you receive

Insurance cover for up to four mobile phones and SIM cards for each Co-operative Bank Credit Card Plus account (which must be owned by the account holder (you) or their family members. A family member is a relative living at the same address).

If your mobile phone is damaged or breaks down we will either:

- (1) repair the mobile phone (where possible) or
- (2) replace it with a mobile phone of the same make, model and memory size. If we cannot do this you will be given a choice of models with an equivalent specification.

If your mobile phone is lost or stolen we will replace it with a mobile phone of the same make, model and memory size. If we cannot do this you will be given a choice of models with an equivalent specification.

Replacements

- (1) Where we replace the mobile phone, the replacement may be a remanufactured (not brand new) device.
- (2) We will attempt to replace your phone with one of the same colour but we can't guarantee to do this or replace any limited or special edition mobile phones.
- (3) Where we send you a replacement or repaired item, this will only be sent to a UK address.

If you are charged by your network for your replacement SIM card we will reimburse you.

In the event that you are billed by your network provider as a result of your mobile phone being used after it has been lost or stolen, we will pay those charges incurred during the period between:

- The moment the loss or theft occurred until 24 hours after you discovered it missing.

For example, if your phone was stolen at 8am on Tuesday and you discovered it missing at 11am on Wednesday, you would be covered for charges made between 8am Tuesday and 11am Thursday, up to the following cover limits:

- £2,000 (including VAT) for contract handsets.
- £200 (including VAT) for Pay As You Go.

If your accessories are lost, stolen or damaged at the same time as your mobile phone, we will replace them with accessories of a similar specification. If we are unable to provide a replacement of a similar specification, we will contact you to discuss an alternative settlement.

What you are NOT covered for

Summary

Description

Excess

You need to pay a contribution every time you make a successful claim of:

- Apple handsets - £75
- Non-Apple handsets - £50

This is the excess. **Your excess is payable for every accepted claim and must be paid before your claim will be settled.**

Loss, theft, damage or breakdown as a result of not taking care of your mobile phone

We know how important your mobile phone is to you and we expect that you will take care of it. If you don't take care of your mobile phone then we may not pay your claim.

Taking care of your mobile phone means:

- Not knowingly leaving your mobile phone somewhere it is likely to be lost, stolen or damaged. (Just think, would you leave your wallet or purse there?)
- If you need to leave your mobile phone somewhere then we expect you to **lock it away out of sight** if at all possible. If you cannot lock it away then you must leave it with **someone you trust or concealed out of sight in a safe place.**
- Making reasonable enquiries to find your phone if you think you have lost it.

If you knowingly leave your mobile phone where others can see it but you cannot and your mobile phone is then lost or stolen, we may not pay your claim.

We will always take into account where you are and what you are doing when we assess whether you have taken care of your phone. If we believe you have not taken care of your mobile phone, and have knowingly taken a risk with it, we may decline your claim.

If you knowingly leave your mobile phone somewhere you can't see it but others can, we may decline your claim for not taking care of it, for example:

- in a cafe or pub you leave your mobile phone on the table when you go to the bar instead of taking it with you
- leaving your mobile phone on display in your car
- leaving your mobile phone in the care of someone you don't know well
- if you are at the gym and you leave your mobile phone on a bench in the changing rooms rather than taking it with you or locking it in a locker
- intentionally damaging your phone.

All of these examples increase the risk of it being lost, stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.

Summary

Description

Cosmetic damage

We only cover damage if it stops the normal functioning of your mobile phone. If it is just a scratch or dent and your mobile phone still works as expected, then we will not repair or replace it.

We know scratches and scrapes to your mobile phone aren't nice but we are here to fix your mobile phone when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.

Contents of your mobile phone

We only cover the mobile phone, we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy – so make sure you back it up regularly.

There are lots of ways to back up the contents of your mobile phone and we suggest you do this regularly. If you have a claim and you lose your mobile phone's contents as a result, you can download it on to your new mobile phone and be up and running again in no time.

More than two accepted claims in any 12 months (per account holder)

We insure your mobile phone for up to two accepted claims in any 12-month period. If you make two accepted claims in any 12-month period, your insurance will continue but you will not be able to make claims for any further incidents that happen before the anniversary of the first claim. This is applicable for each account holder separately.

For example if you make a claim on 1 January and another on 1 May, you will not be able to make any further claims against this policy for incidents that happen prior to 1 January of the following year.

Other losses

Any cost or losses that can't be resolved by the repair or replacement of your mobile phone.

We don't cover any loss of profit, opportunity, goodwill or other similar losses. We just cover the mobile phone, unauthorised network charges and accessories.

Any device that is not a mobile phone

This policy is only for mobile phones, SIM cards and accessories. This means we only cover devices that are designed to make mobile phone calls.

This policy isn't for tablet computers.

Modifications

If your mobile phone has been modified in any way we will only replace the mobile phone, we do not cover the modifications that have been made.

Modifications are anything that changes the way your mobile phone looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile phone from a network.

Actions you will need to take on loss, theft, breakdown or damage to your mobile phone

Summary

Description

Tell your airtime provider if your mobile phone is lost or stolen as soon as you can

As detailed in 'The cover you receive' section, we only pay for unauthorised network charges from the point your mobile phone is lost or stolen and for up to 24 hours after you discover the loss or theft.

If you don't tell your airtime provider within 24 hours you will be responsible for any further charges.

If you make a claim for unauthorised network charges you will need to provide either the monthly mobile phone bill, showing the charges, and the bill for the month prior to the unauthorised network charges, or proof of your mobile phone's balance prior to the theft or loss.

If your mobile phone is lost or stolen report it to the police

Tell the police about any lost or stolen mobile phone as soon as you can, we will ask you to provide the police reference number before we will pay any claim for loss and theft.

If you have difficulty reporting your incident to the police please contact us and we can help to guide you.

Report your claim to us as soon as you can but within 28 days

Tell us about a claim as soon as you can. We expect you to tell us about any claim as soon as possible and within 28 days of discovery of the loss, theft, breakdown or damage.

If you don't do this we will still consider your claim, however it makes it difficult for us to investigate your claim, recover your mobile phone if it is lost or stolen or stop any further damage to your mobile phone.

You can log your claim online or by telephone, it is really simple.

Report any loss or theft to the place you believe it has been lost or stolen from

We expect you to report your mobile phone as lost or stolen to the place it was lost or you think it has been stolen from.

Often mobile phones are found and handed in to the place they were found. We expect you to report the loss or theft of your mobile phone to the place where you think it was lost or is most likely to be handed back to. We may ask you to provide the details of where your handset was lost or stolen from and actions you have taken to try to recover it.

Proof of ownership

We need to know that the mobile phone, SIM card and accessories you are claiming for are yours. Therefore you will need to provide some form of proof of ownership.

You will need to be able to tell us the make and model of your mobile phone. We may ask to see something that tells us that the items you are claiming for belong to you and confirms the make, model, memory size and IMEI number of your mobile phone.

The IMEI number is the unique serial number for your mobile phone. You can find it by inputting *#06# into your mobile phone. It should also be noted on the documentation that came with your mobile phone when you purchased it. Your airtime provider may also be able to provide it to you.

Proof of ownership could include a till receipt or documentation from your airtime provider. If you don't have any proof of ownership we may decline your claim.

Fraud

We do not tolerate any aspect of fraudulent activity. We work closely and share data with other insurers, law enforcement agencies and airline providers to identify fraud and support prosecution where the appropriate evidence exists. Our fraud team works tirelessly to prevent and detect fraud. We, and other organisations, may access and use the information recorded by fraud prevention agencies, from both the UK and other countries.

It is important that when applying for insurance, or submitting a claim, you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the payment of your claim.

If false or inaccurate information is provided and fraud is identified then we will:

- Not honour the claim and we will cancel your policy. If an excess has been paid this will not be returned.
- Report you to the relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy.
- Pass the details onto your bank or our distribution partner providing this service as part of a wider offering.
- Put the details of the fraudulent claim onto a Register of Claims through which insurers share information to prevent fraudulent claims. A list of participants and the name and address of the operator are available on request.
- Pass the details to fraud prevention agencies. Law enforcement agencies may access and use this information. Other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
 - Checking details on applications for credit and credit-related accounts or facilities.
 - Managing credit and credit-related accounts or facilities.
 - Recovering debt.
 - Checking details on proposals and claims for all types of insurance.
 - Checking details of job applicants and employees.

Please contact us at 0844 249 9981 if you want to receive details of the relevant fraud prevention agencies.

It is important to note that gadget insurance is offered on the understanding that you will take care of your gadget.

Description

This policy is suitable if you have any gadget(s) that are not already covered under an insurance policy and you want to cover the cost of repairing or replacing your gadget(s) against theft, damage and breakdown (subject to an excess payment for every accepted claim).

The term gadget applies to a self-contained, portable device, having the design intention of supporting multimedia applications or obtaining multimedia content.

More information on gadgets can be found in the 'What you are NOT covered for' section.

Please contact us if you are unsure as to whether your gadget(s) can be covered.

Having insurance does not mean that you can take risks with your gadget which you would not take if your gadget was not insured as doing so may result in your claim being declined. Further details can be found in the section 'What you are NOT covered for'.

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

What you are NOT covered for

Summary

Description

Excess

You need to pay a contribution of every time you make a successful claim:

- Laptops and tablets - £50
- All other gadgets - £25

This is the excess. **Your excess is payable for every accepted claim and must be paid before your claim will be settled.**

Theft, damage or breakdown as a result of not taking care of your gadget

We know how important your gadget is to you and we expect that you will take care of your gadget. If you don't take care of your gadget then we may not pay your claim.

Taking care of your gadget means:

- Not knowingly leaving your gadget somewhere it is likely to be stolen or damaged.
- If you need to leave your gadget somewhere then we expect you to **lock it away out of sight** if at all possible. If you cannot lock it away, then you must leave it with **someone you trust** or **concealed out of sight in a safe place**.
- Making reasonable enquiries to find your gadget if you think you have lost it.

If you knowingly leave your gadget where others can see it but you cannot and your gadget is then stolen, we may not pay your claim.

We will always take into account where you are and what you are doing when we assess whether you have taken care of your gadget. If we believe you have not taken care of your gadget, and have knowingly taken a risk with it, we may decline your claim.

If you knowingly leave your gadget somewhere you can't see it but others can, we may decline your claim for not taking care of your gadget - for example:

- in a cafe or pub you leave your gadget on the table when you go to the bar to pick up your drink instead of taking it with you
- leaving your gadget on display in your car
- leaving your gadget in the care of someone you don't know well
- if you are at the gym and you leave your gadget on a bench in the changing rooms rather than taking it with you or locking it in a locker
- if you intentionally damage your gadget.

All of these examples increase the risk of it being stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.

Actions you will need to take on theft, breakdown or damage to your gadget

Summary

Description

If your gadget is stolen, report it to the police

Tell the police about any stolen gadget as soon as you can; we will ask you to provide the police reference number before we will pay any claim for theft.

If you have difficulty reporting your incident to the police please contact us and we can help to guide you.

Report your claim to us as soon as you can but within 28 days

Tell us about a claim as soon as you can. We expect you to tell us about any claim as soon as possible and within 28 days of discovery of the theft, breakdown or damage.

If you don't do this we will still consider your claim, however it makes it difficult for us to investigate your claim, recover your gadget if it is stolen or stop any further damage to your gadget.

You can log your claim online or by telephone, it is really simple.

Report any theft to the place you believe it has been stolen from

We expect you to report your gadget as stolen to the place you think it has been stolen from.

Often gadgets are found and handed in to the place they were found at. We expect you to report the theft of your gadget to the place you think it was stolen from or is most likely to be handed back to. We may ask you to provide the details of where your gadget was stolen from and any actions you have taken to try to recover it.

Proof of ownership

We need to know that the gadget and accessories you are claiming for are yours. Therefore you will need to provide some form of proof of ownership.

You will need to be able to tell us the make and model of your gadget. We may ask to see something that tells us that the items you are claiming for belong to you and confirms the make, model, serial number and memory size (where relevant) of your gadget.

Proof of ownership could include a till receipt or documentation from any online purchase. If you don't have any proof of ownership we may decline your claim.

How to make a claim

Summary

Description

Step One:

Please make sure you have read the “Actions you will need to take on theft, breakdown or damage to your gadget” section as this tells you what we may need from you in order to settle your claim.

Step Two:

You should tell us about your claim as soon as you can, and within 28 days of discovering the incident. You can do this by contacting us at **co-operativebank.co.uk/benefits** or by calling 0844 249 9981.

Step Three:

We will walk you through the simple claims process and tell you what information you will need to provide for us to assess your claim.

Step Four:

You will need to pay your excess for every accepted claim. Your excess can be paid by Visa, MasterCard and debit cards (we do not accept American Express or Diners Club cards).

Step Five:

We will either repair your gadget or send you a replacement.

What you need to know about the claims process

- Repairs may be made using readily available parts, or we may provide refurbished products which may contain parts, which are of similar or equivalent specification, and which may include unbranded parts. This policy is provided in addition to any manufacturer’s warranty that applies to your gadget (“applicable manufacturer’s warranty”). Nothing in this policy is intended to affect your rights under the applicable manufacturer’s warranty or your statutory rights. If any repairs authorised by us under this policy invalidate the applicable manufacturer’s warranty, we will repair or replace your gadget, as necessary, in accordance with the terms of the applicable manufacturer’s warranty for the unexpired period of the applicable manufacturer’s warranty.
- If we are unable to replace your gadget with the same make and model, we will contact you to discuss an alternative claim settlement.
- If any stolen or damaged items are recovered after the claim is approved, they shall become the property of the insurer and must be returned to us immediately. Damaged gadgets and accessories, parts and materials replaced by us shall become the property of the insurer.
- Lifestyle Services Group handle all claims on behalf of the insurer.

What if your claim is rejected?

If you’re not happy with the claims decision, we want to hear from you as soon as possible. Please follow the complaints process.

Tell us when your details change

If you change your gadget, please tell us so we can keep our records up to date and to ensure they are covered; this can be done quickly and easily online via **co-operativebank.co.uk/benefits**

Fraud

We do not tolerate any aspect of fraudulent activity. We work closely and share data with other insurers, law enforcement agencies and airtime providers to identify fraud and support prosecution where the appropriate evidence exists. Our Fraud Team works tirelessly to prevent and detect fraud. We, and other organisations, may access and use the information recorded by fraud prevention agencies, from both the UK and from other countries.

It is important that when applying for insurance, or submitting a claim, you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the payment of your claim.

If false or inaccurate information is provided and fraud is identified then we will:

- Not honour the claim and we will cancel your policy. If an excess has been paid this will not be returned.
- Report you to the relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy.
- Pass the details onto your bank or our distribution partner providing this service as part of a wider offering.
- Put the details of the fraudulent claim onto a Register of Claims through which insurers share information to prevent fraudulent claims. A list of participants and the name and address of the operator are available on request.
- Pass the details to fraud prevention agencies. Law enforcement agencies may access and use this information. Other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
 - Checking details on applications for credit and credit-related accounts or facilities.
 - Managing credit and credit-related accounts or facilities.
 - Recovering debt.
 - Checking details on proposals and claims for all types of insurance.
 - Checking details of job applicants and employees.

Please contact us at 0844 249 9981 if you want to receive details of the relevant fraud prevention agencies.

Price of your insurance

This policy is provided as a benefit of you being a Co-operative Bank Credit Card Plus account holder. The cost is an inclusive part of your Credit Card Plus account monthly subscription.

Duration of this Policy

Your account will remain in place until you close your Co-operative Bank Credit Card Plus account.

Cancelling your insurance

You have the right to cancel your insurance at any time. No refund is due upon cancellation.
