**LEEK FINANCE NUMBER SEVENTEEN PLC ANNOUNCEMENT TO CLASS A2 NOTEHOLDERS ONLY**

The Issuer announced today its invitation to holders of the outstanding £270,000,000 Class A2a Mortgage Backed Floating Rate Notes Due 2037 (ISIN: XS0249475137), U.S.\$462,000,000 Class A2b Mortgage Backed Floating Rate Notes Due 2037 (Regulation S Notes ISIN: XS0249475483, Rule 144a Notes ISIN: US52426LAB62) and €365,000,000 Class A2c Mortgage Backed Floating Rate Notes Due 2037 (ISIN: XS0249475723) (the **Class A2 Notes**) to vote in respect of an Extraordinary Resolution in respect of their Class A2 Notes. The Extraordinary Resolution will approve and assent to a Class A2 Noteholder proposal which includes, amongst other things, (i) the removal of S&P from the Conditions and the Transaction Documents, (ii) the addition of an investor redemption option for all Noteholders, (iii) additional credit enhancement of the Notes by the purchase of UK Gilts by the Issuer, (iv) the insertion of an Additional

Coupon Payment for the Class A Noteholders and (v) the collateralisation of the monies held under the Co-op GIC Account (the **Class A2 Noteholder Proposal**).

The Class A2 Noteholder Proposal is made on the terms and subject to the conditions contained in the Consent Solicitation Memorandum dated 30 March 2011 (the **Consent Solicitation Memorandum**).

The meeting of holders of the Class A2 Notes (the **Meeting**) to consider, and if thought fit, to pass the Extraordinary Resolutions to approve the Class A2 Noteholder Proposal will be held at 10:00 a.m. (London time) (11:00 a.m. CET and 5.00 a.m. New York time) on 11 May 2011 at the offices of Allen & Overy LLP, One Bishops Square, London E1 6AD.

The Issuer proposes to amend certain Transaction Documents and the Conditions as set out in the Global Amendment and Restatement Deed, pursuant to the amendments,

- (a) all classes of Noteholders will be provided with an investor redemption option (the **Investor Redemption Option**) pursuant to which a Noteholder may elect to have his Notes redeemed by the Issuer at the Principal Amount Outstanding of the relevant Notes adjusted for any principal deficiencies in the Portfolio applicable to those Notes, as further set out in the documents. The redemption of Notes subject to the Investor Redemption Option will be funded through the issuance of variable funding notes corresponding to each Class of Notes being redeemed (respectively, the J1 VFN, the J2 VFN, the J3 VFN and the J4 VFN and, together, the **J VFN**);
- (b) the credit enhancement of the Notes will be increased by the purchase of UK Gilts by the Issuer using the proceeds of the issuance of a new variable funding note (the **K VFN**) to be subscribed to and funded by the Co-operative Bank. Such UK Gilts will be placed in a new custody account in the name of the Issuer and charged in favour of the Trustee and the income generated from the UK Gilts will be added to Income Received whilst the cash received from the redemption of the UK Gilts will be added to Principal Received. Any interest received on the UK Gilts in excess of the interest due on the K VFN will be used to redeem the K VFN in accordance with the amended Pre-Enforcement Interest Priority of Payments. To the extent there is insufficient Applied Income to pay interest on the K VFNs on an Interest Payment Date, such unpaid interest amount will be capitalised, a new Condition 5(i) (Interest Accrual) will be inserted. The K VFN will rank junior to the existing Notes and the Required Amount in the Payments Priorities;
- (c) all references to S&P and any S&P criteria or requirements contained in the Transaction Documents will be deleted and all obligations on any of the parties thereto to comply with any of the S&P criteria or requirements shall cease to have effect;
- (d) the A Noteholders will receive an additional payment (the **Additional Coupon Payment**) on the final Interest Payment Date of the Class A2 Notes. The Issuer will issue a new variable funding note (the **L VFN**) the proceeds of which will be used to make three term loans (the **Co-op Multi-Currency Loans**) to the Co-operative Bank. The Co-op Multi-Currency Loans will be repayable on the Additional Coupon Payment Date and the repayment proceeds will be used to pay the Additional Coupon Payment; and
- (e) the RBS GIC Guarantee will be terminated and the documents will provide for the collateralisation of the monies held under the Co-op GIC Accounts which will be funded by the issuance by the Issuer of a new variable funding note (the **N VFN**) the proceeds of which will be used to fund the Co-op Collateral Amount.

The Class A2 Noteholder Proposal, if passed and consented to by all appropriate parties, will, subject to it not being withdrawn by the Issuer, be implemented on 6 June 2011 (the **Implementation Date**), after the relevant consents and instructions are delivered (which is expected to be as soon as possible after the date of the Meeting) and, (if applicable) after the date of any adjournment of such Meeting.

Holders of Class A2 Notes who wish to accept the Class A2 Noteholder Proposal should refer to the Consent Solicitation Memorandum for the procedures which must be followed in order to accept the Class A2 Noteholder Proposal.

The **Expiration Deadline/Final Voting Deadline** is 10:00 a.m. (London time) (11:00 a.m. CET) (5:00 a.m. New York time) on 9 May 2011.
