CRD II Retention

In Europe, investors should be aware of Article 122a of the Capital Requirements Directive which applies to newly issued asset-backed securities after 31 December 2010, and to asset backed securities issued on or before that date for the beginning of 2015 to the extent that new underlying exposures are added or substituted after 31 December 2014. Article 122a requires, amongst other things, an EU regulated credit institution to only invest in asset-backed securities respect of which the originator, sponsor or original lender of the securitisation has explicitly disclosed to the EU regulated credit institution that it will retain, on an ongoing basis, a net economic interest of not less than 5% in respect of certain specified credit risk tranches or asset exposures. The Co-operative Bank PLC's current policy is to retain, on an ongoing basis, a net economic interest in the Silk Road Finance Number Three PLC ("Silk 3") of not less than 5% to use reasonable endeavours to provide investors with the data and information which they may reasonably require for the purposes of compliance by investors with Article 122a. As at the date of this report, the Co-operative Bank PL retains an economic interest in Silk 3 in the form of the general reserve fund and the unrated class B and C VFN notes (all of which are retained by the Co-operative Bank PLC) in amounts as stated in the relevant sections of this report.
