

## **Maturity Fixed Term Deposit and Smart Saver product information** (including interest rates, Summary Boxes & product specific terms and conditions)

### **Reinvest in a Maturity Fixed Term Deposit** (available to existing maturing Fixed Term Deposit customers only)

If you want the security of knowing that your interest rate will be fixed for a term of one, two or three years and you don't need access to your money before it matures, then another Fixed Term Deposit could be for you. You can reinvest in another Fixed Term Deposit. The options are as follows:

- Filling in our secure online form.
- Completing the reinvestment form sent with your maturity pack, and returning it to us by post.
- Calling us to arrange a telephone appointment.
- Visiting us in branch.

### **Our promise to you**

We believe in being fair and want to provide you, as an existing Fixed Term Deposit customer, with some assurance on our rates, because our accounts are limited issue and can be withdrawn without notice:

- We promise to honour the Fixed Term Deposit rates printed in this leaflet as long as we receive your reinvestment instructions before your maturity date.
- If we increase rates on the account(s) you choose between now and your maturity date, you'll automatically receive the higher rate.

Please note that if we do not receive your instruction before your maturity date, and our interest rates change in the meantime, you may be offered lower rates than those printed in this leaflet.

Please read the account summary information found in the summary box below. For full details, you should also read its terms and conditions. The interest rates that apply to your account will depend on whether you have chosen a 1, 2 or 3 year Fixed Term Deposit. Your welcome letter will contain the term and interest rate of the Fixed Term Deposit you have chosen.
