

The Co-operative Bank Switch Offer Terms and Conditions – July 2026

These terms and conditions (the Terms) govern The Co-operative Bank plc (we, us) Switch Offer. These Terms are between you and us.

These Terms are made up of four sections. Please ensure you read all sections as they include important information.

Section A: £125 Switch Incentive

Section B: £25 Monthly Stay Incentive

Section C: £100 Exclusive Incentive

Section D: Other Important Information

Section A: £125 Switch Incentive

1. We will pay the sum of £125 to an Eligible Customer who meets the eligibility criteria in Section A (the £125 Switch Incentive).
2. In Section A of these Terms an 'Eligible Customer' means a customer who:
 - 2.1 Requests to switch a personal account held with another provider into an 'Eligible Account' with us (which shall mean a The Co-operative Bank Standard Current Account, Current Account Plus, Privilege, Privilege Premier, or Everyday Extra account and no other account) during the Offer Period, through one of the following switch request methods:
 - a) Requests to switch a personal account held with another provider into an existing Eligible Account; or
 - b) Requests to switch a personal account held with another provider as part of an application for a new Eligible Account; or
 - c) Requests to switch a personal account held with another provider within two weeks of opening a new Eligible Account.
 - 2.2 Within eight weeks of the switch request, completes a full switch into an Eligible Account using the Current Account Switch Service (which will include the closure of the personal account with the other provider, and moving all payment instructions to the Eligible Account on the day that the switch completes).
 - 2.3 Within the thirty days following the switch completion date (and not before the full switch has completed):
 - a) Has deposited £1,500 or more into the Eligible Account (this can be transferred as part of the switch and/or by one or more deposits); and
 - b) Has set up at least two active Direct Debits on the Eligible Account (this can include any Direct Debits that are automatically transferred as part of the switch or already in place on existing Eligible Accounts); and
 - c) Has made five or more payments using their debit card on their Eligible Account (this includes any digital wallet transactions but excludes pending transactions); and
 - d) Is registered for our online banking and/or mobile banking service, including where that registration was already in place before the switch completion date.
 - 2.4 Has not previously benefitted from this, or any previous account switch offers with The Co-operative Bank since 1 November 2022.
 - 2.5 Holds the Eligible Account at the time the £125 Switch Incentive is paid. We will not pay the £125 Switch Incentive into any other account. If an Eligible Customer meets all other eligibility criteria in Section A but thereafter closes their Eligible Account, we will not pay the £125 Switch Incentive to them.

3. We will credit £125 to the Eligible Account of an Eligible Customer under Section A within seven days of them meeting the eligibility criteria. The credit will be labelled as 'Adjustment' in account transactions or statement.
4. An Eligible Customer is entitled to only one £125 Switch Incentive payment, even if they switch more than one account to us using the Current Account Switch Service and meet the eligibility criteria under Section A with respect to the additional account(s).
5. The maximum amount we will pay into an Eligible Account under Section A of this Switch Offer is £125. This means that if an Eligible Account is held in joint names, we will only credit the Eligible Account with £125 in total, not £125 for each person named on the Eligible Account.
6. The £125 Switch Incentive cannot be used in conjunction with any other switching offer with The Co-operative Bank, except for the £25 Monthly Stay Incentive (see Section B) and/or the £100 Exclusive Incentive (see Section C) of this particular Switch Offer.
7. The £125 Switch Incentive is only available for applications to switch a current account to us using the full Current Account Switch Service received on or after 6 July 2026 until the date we notify or publicise as that date upon which this Switch Offer will expire (the "Offer Period").
8. You will not be eligible for or qualify for this Switch Offer after the expiry of the Offer Period unless your application to switch in to an Eligible Account is received prior to the expiry of the Offer Period.

Section B: £25 Monthly Stay Incentive

9. After receiving the £125 Switch Incentive payment under Section A, an Eligible Customer may also qualify for up to three monthly payments of £25 (the £25 Monthly Stay Incentive) if they meet the eligibility criteria in Section B. In Section B of these Terms an 'Eligible Customer' means a customer who:
 - 9.1 Has successfully qualified for and received payment of the £125 Switch Incentive as detailed in Section A above.
 - 9.2 In each full month (up to a maximum of three months), following the receipt of the £125 Switch Incentive payment in Section A;
 - a) Has deposited £1,500 or more into the Eligible Account; and
 - b) Has made five or more payments using their debit card on their Eligible Account (this includes any digital wallet transactions but excludes pending transactions); and
 - c) On the final day of the Qualifying Period, has two active Direct Debits on the Eligible Account.
 - 9.3 Holds the Eligible Account at the time the £25 Monthly Stay Incentive is paid. We will not pay a £25 Monthly Stay Incentive into any other account. If an Eligible Customer meets all other eligibility criteria in Section B but thereafter closes their Eligible Account, we will not pay a £25 Monthly Stay Incentive to them.
10. The Qualifying Period for the first £25 Monthly Stay Incentive will commence the day following payment of the £125 Switch Incentive in Section A. The period will then run to (but not include) the same date of the following month. The Qualifying Periods for the second and third £25 Monthly Stay Incentives will commence on the day following the end of the previous Qualifying Period, and again run until, but not include, the same day of the following month.

Example scenario: An Eligible Customer under Section A receives their £125 Switch Incentive payment into their Eligible Account on 14th July. The Qualifying Periods for the first, second and third £25 Monthly Stay Incentives would therefore be:

- Qualifying Period for first £25 Monthly Stay Incentive: 15th July – 14th August
- Qualifying Period for second £25 Monthly Stay Incentive: 15th August – 14th September
- Qualifying Period for third £25 Monthly Stay Incentive: 15th September – 14th October

11. We will credit each £25 Monthly Stay Incentive to the Eligible Account of an Eligible Customer under Section B within seven days of the end of the Qualifying Period for that £25 Monthly Stay Incentive. The credit will be labelled as 'Adjustment' in account transactions or statement.
12. If you do not meet the eligibility criteria for one £25 Monthly Stay Incentive, you may still be eligible for any other £25 Monthly Stay Incentive.
13. An Eligible Customer is entitled to only three £25 Monthly Stay Incentive payments of £25 each.
14. The maximum amount we will pay into an Eligible Account under Section B of this Switch Offer is £75.

This means that if an Eligible Account is held in joint names, we will only credit the Eligible Account with up to a maximum of £75 in total (made up of three £25 payments), not £75 for each person named on the Eligible Account.

15. An Eligible Customer is entitled to only three £25 Monthly Stay Incentive payments (a total of £75), even if they switch more than one account to us using the Current Account Switch Service and meet the eligibility criteria under Section B with respect to the additional account(s).
16. This £25 Monthly Stay Switch Incentive must be used in conjunction with Section A of this Switch Offer. It cannot be used in conjunction with any other switching offer with The Co-operative Bank, except for the £125 Switch Incentive and the £100 Exclusive Incentive (see Section C) of this particular Switch Offer.

Section C: £100 Exclusive Incentive

17. After receiving the £125 Switch Incentive payment under Section A, an Eligible Customer may also qualify for the sum of £100 (the £100 Exclusive Incentive) if they meet the eligibility criteria in Section C. In Section C of these Terms an 'Eligible Customer' means a customer who:
 - 17.1 Has successfully qualified for and received payment of the £125 Switch Incentive as detailed in Section A; and
 - 17.2 On 21 June 2026 is an existing personal customer (this excludes business customers, organisation accounts, and mortgages held in a business name) of:
 - a) The Co-operative Bank;
 - b) smile;
 - c) Coventry Building Society (authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority with reference number: 150892) whose principal address is at Coventry House, Binley Business Park, Harry Weston Road, Coventry, CV3 2TQ;
 - d) Godiva Mortgages Limited (a company registered in England with company number 05830727 whose registered address is at Coventry House, Binley Business Park, Harry Weston Road, Coventry, CV3 2TQ and is authorised and regulated by the Financial Conduct Authority, firm reference number 457622, www.fca.org.uk);
 - e) ITL Mortgages Limited (a company registered in England with company number 02321779 whose registered address is Coventry House, Binley Business Park, Harry Weston Road, Coventry, CV3 2TQ and is authorised and regulated by the Financial Conduct Authority, firm reference no. 302608, www.fca.org.uk).
 - 17.3 Holds the Eligible Account at the time the £100 Exclusive Incentive is paid. We will not pay the £100 Exclusive Incentive into any other account. If an Eligible Customer meets all other eligibility criteria in Section C but thereafter closes their Eligible Account, we will not pay the £100 Exclusive Incentive to them.
18. We will credit £100 to an Eligible Account of an Eligible Customer under Section C during November 2026. The credit will be labelled as 'Adjustment' in account transactions and statement(s).
19. An Eligible Customer is entitled to only one £100 Exclusive Incentive, even if they switch more than one account to us using the Current Account Switch Service or are an existing customer with respect to more than one account or entity listed in 17.2 and meet the eligibility criteria under Section C with respect to the additional account(s).
20. The maximum amount an Eligible Customer will receive under Section C by way of the £100 Exclusive Incentive is £100. This means that if the Eligible Account is in joint names, we will only credit the account with £100, not £100 for each person named on the account.
21. We may withdraw the £100 Exclusive Incentive at any time, including before the end of the Offer Period and/or before the Qualifying Periods as set out at 10 above. This means you may be eligible for the £125 Switch Incentive and one or more of the three £25 Monthly Stay Incentives but not be eligible for the £100 Exclusive Incentive.

The Co-operative Bank or smile current account of any type within the Offer Period (this includes Standard Current Account, Cashminder, Everyday Extra, Current Account Plus, Privilege, Privilege Premier, Student, smile Current Account, smile More, smile Student account), and then applies for an Eligible Account for the purpose of benefitting from this Switch Offer.

25. This Switch Offer is only available for applications to switch a personal use current account to us. You cannot benefit under this Switch Offer if the account you are switching from and closing is identified as a business account (including a Partnership or Sole Trader account).
26. Your personal data may be shared between The Co-operative Bank and Coventry Building Society for the purpose of completing eligibility checks under this Switch Offer. 27. Notwithstanding any other provision of these Terms, we reserve the right, at our sole discretion, to award an incentive under this Switch Offer to any customer who does not strictly meet all of the eligibility criteria set out above. This discretion may be exercised, for example, where we consider it appropriate in light of a customer's individual circumstances, including vulnerability or limited access to online or mobile banking services. Any decision to award an incentive in such circumstances shall be made on an exceptional basis only and shall not constitute a precedent or create any expectation that similar decisions will be made in respect of other customers or future applications. All other eligibility criteria and requirements shall continue to apply in all other cases.

We reserve the right to decline your application for an Eligible Account.

We will update our website with any varied or amended Terms and the date for the Offer Period and the date that the £100 Exclusive Incentive will be withdrawn. If any or part of these Terms are held to be invalid or unenforceable, the rest of the Terms will continue to apply.
32. We reserve the right to withhold any payment (or to reverse any payment already made) under this Switch Offer where we have reasonable grounds for suspecting Eligible Customers have sought to materially abuse or profiteer from this or any previous offer or otherwise attempt to exploit the Switch Offer contrary to its intended purpose.
33. Eligible Customers are responsible for considering any tax implications arising from any and all payments under this Switch Offer.
34. All payments paid by us made under any section of these Terms are paid in pounds (£) sterling in cash. There is no alternative or swaps in relation to any of the payments made by us.
