In 2025, Coventry Building Society officially completed their purchase of The Co-operative Bank. Since then, we've made great progress in bringing our two purpose-led organisations together. We've united teams and focused on our shared values. Both the Bank and Society are driven by a deep focus on community and a commitment to doing the right thing for our members and customers.

We're making some changes to our branch network

We're committed to providing the very best branch service for our members, customers and local communities. To reflect this, over the next few years, we'll be continuing to invest in our network across The Co-operative Bank and Coventry Building Society. We know how important branches are to the communities they serve, and our fantastic branch colleagues make them places where people feel supported and valued.

To make sure we're investing in the right way and in the right places, we've taken a look at all our branches. In a few UK cities, we currently have a Co-operative Bank branch and a Coventry Building Society branch operating in close proximity. We're therefore proposing to close one of our branches and move the full range of our products and services to the other. In some cases, this is the Bank branch, in others, it will be the Coventry Building Society branch.

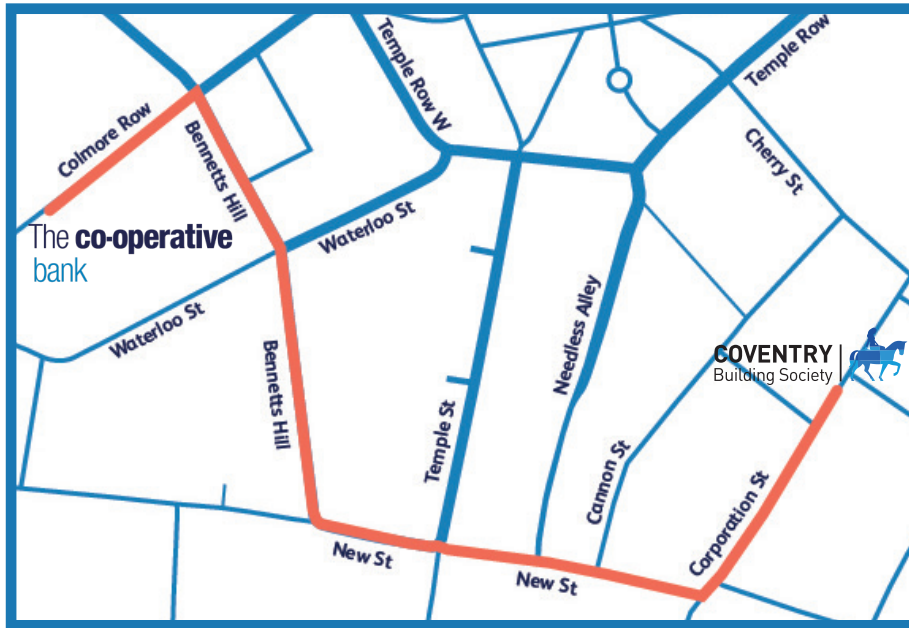

We're proposing to close and relocate our services to the Coventry Building Society Birmingham branch on Friday 11 September 2026

Impact Assessment – why are we proposing this change?

We've chosen to publish this document to make sure our customers are kept up to date with our plans. Following the bank's acquisition by Coventry Building Society, we are proposing to close The Co-operative Bank Birmingham branch. Following this decision, from **Monday 14 September** you'll be able to manage your Co-operative Bank accounts and access a full range of services at the **Coventry Building Society Birmingham branch**. The branch is located at **15 Corporation Street, Birmingham, B2 4LP, just 0.3 miles away**.

We're pleased to let you know that this branch will offer extended and improved opening hours, 6 days a week. Open 10am to 3pm Monday to Friday and 9am to 12pm Saturday.

How to get there:

Branch opening hours:

Monday	10am – 3pm
Tuesday	10am – 3pm
Wednesday	10am – 3pm
Thursday	10am – 3pm
Friday	10am – 3pm
Saturday	9am – 12pm
Sunday	Closed
Bank Holidays	Closed

Before proposing these changes, we have thought about how it might impact any customers, looked at how suitable each location is and explored the viability of each location. We've chosen the best branch to stay open based on its size, access and potential.

Two weeks before the closure of the Birmingham branch, we will publish an Impact Assessment Part 2. This Impact Assessment will provide an update on any feedback we've received and answer any issues or concerns raised.
