The **co-operative** bank

We're changing the opening hours of our Manchester Branch on 5 January 2026 to;

Monday 9.30am to 2.30pm
Tuesday 9.30am to 2.30pm
Wednesday 9.30am to 2.30pm
Thursday 9.30am to 2.30pm

Friday 9.30am to 2.30pm
Saturday 9.00am to 12.00pm
Sunday Closed

We offer different ways for you to bank with us, so you can manage your money wherever you are and this guide will show you how.

We've also included details of the nearest alternative Co-operative Bank branch, Post Office® and cash machines (ATMs).

Our colleagues will be available to discuss any alternative services and support you need, including how to get started with mobile and online banking.

Visit co-operativebank.co.uk/help-and-support/ways-to-bank/branch-banking/ for more details or refer to the information below.

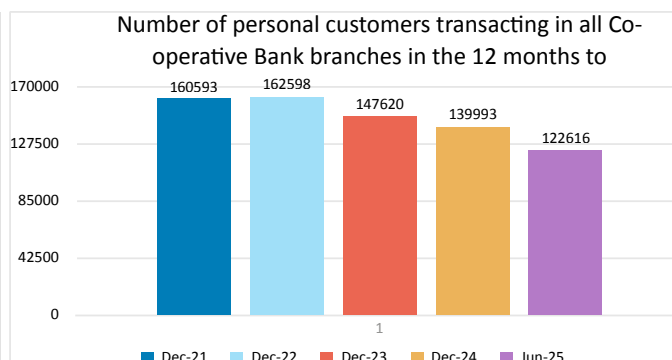

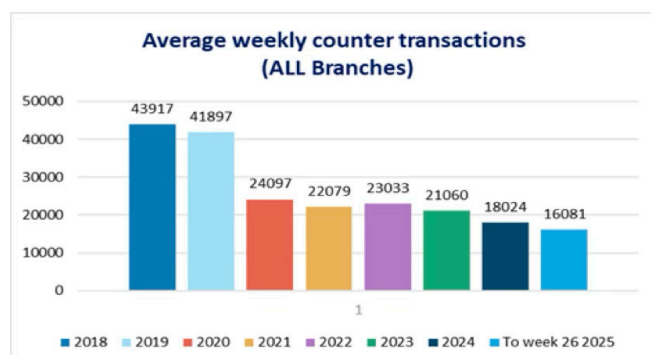

② Why are we changing the opening hours of some branches?

Before we make changes at any branch, we look at how our customers are managing their money and using the branch. Most customers are now using mobile and online banking or calling us instead, which means they are using branches, including the Manchester Branch much less.

This means we'll be changing the opening hours of the branch and we'll explain more about how we made our decision, and how customers are using branches on the following pages.

The way customers complete their banking is changing

- During the last 7 years, the average number of transactions completed at our branch counters each week have reduced by 60 %, which means a reduction of 6 out of every 10 transactions.
- In the last 4 years, 38,000 less personal customers have visited a branch to complete a counter transaction.

- Of the customers who have transacted in a Branch in the last year:

Out of 100, number of customers who visited in 1 of the 12 months	Out of 100, number of customers who visited in all 12 months
46	3

- Between January 2023 and May 2025, over 146,000 customers registered for Online & / or Mobile Banking, which represents an increase of 11.1 %.
- In 2023 and 2024, over 4.96 million customer telephone calls were handled by colleagues, reducing from 2.67 million in 2023 to 2.29 million in 2024. The year on year reduction reflects the launch of new self-serve digital processes and an increase in customers using Online and Mobile banking to complete their basic banking needs.

Our decision

As a result of the changes in how customers bank with us, we are updating branch hours. We have also taken into consideration how often customers visit each branch.

To reduce inconvenience to customers we have tried to make sure:

- No branch is closed on consecutive weekdays.
- When closed on a weekday, the next nearest branch is open.

We are pleased to confirm we are not closing any branches permanently, and have not done so since November 2020.

These amendments to branch opening hours form part of the Bank's strategy to rebuild and reshape our business for the future, with a focus on **responding to the changes in the way customers are choosing to bank with us.**

Why are we changing Manchester opening hours?

- During the last 7 years, the average number of transactions completed at the branch counter each week has reduced by 66 %, which means a reduction of 7 out of every 10 transactions
- In the last 4 years, 602 less personal customers have visited the branch to complete a counter transaction.

- Of the customers who have transacted in the Manchester branch in the last year:

Out of 100, number of customers who visited in 1 of the 12 months	Out of 100, number of customers who visited in all 12 months
55	2

- 1 out of 2 customers who have a current account and visit the branch also use our mobile and online banking services to complete their banking needs
- The number of business customers who transacted in the branch in the 12 months to June 2025 was 230

Vulnerable Customers

We know our customers have diverse needs and we have a range of services and support tools available to help them bank with us. If you have not notified us of any specific needs or wish to review the accessibility features and services we offer, please speak to a member of staff or visit **co-operativebank.co.uk/help-and-support/accessibility/**

We have identified vulnerable customers who transact in branches where the opening hours are changing. In order to discuss their specific needs when the branch is closed, the local branch teams will:

- Attempt to contact them via telephone or during branch visits, to identify and discuss personalised solutions to ensure they can continue to access their usual banking services
- Discuss the range of options available to them to complete their day to day banking when their branch is closed
- Provide on-going support with regard to the registration and usage of online and mobile banking, and provide guidance and tips on potential frauds and scams
